If requested, I will provide any documents that are necessary to verify the taxable and non-taxable income reported on the financial aid applications. This includes signed copies of 2016 Federal Income Tax Return Transcripts, Official statements from Social Security, Public Assistance, Veteran's Administration, Housing subsidy or any other appropriate agency. I authorize CGCC to exchange information concerning my financial aid with other school officials and student aid programs to which I have applied or will apply for aid.

- **Students at CGCC must be matriculated to receive any financial aid.**
- **If the College allows me to defer payment of tuition, fees, or books until my financial aid is available, I understand that I am liable for the amount deferred regardless of my final eligibility for financial aid. I also understand that if I withdraw from the College, officially or unofficially, I may be fully liable for my tuition, fees and other charges. I understand that CGCC uses a collection agency and/or attorney as a means of debt collection. If it were necessary to submit my account for collection, I agree to be responsible for collection costs and / or attorney's fees. I understand that if I drop or withdraw from any courses that it may reduce my current or future financial aid eligibility.**
- **Failure to complete the financial aid process for a tuition deferral OR nonpayment by the tuition due date will result in my registration being canceled.**
- **By signing below I hereby give Columbia-Greene Community College permission to use any Title IV or New York State financial aid funds that I receive to pay bookstore, daycare, or any other College charges that I owe. I understand that this permission will remain in effect for as long as I am a student at CGCC and that I have a right to withdraw this permission at any time.**

I authorize Columbia-Greene Community College to provide non-directory information from my education records such as address, telephone number, email address, GPA, course grades and class standing to any individual, organization or entity considering me for an award or scholarship. The information may be given in writing or orally. I understand further: (1) that such information may be disclosed only on the condition that the party to whom the information is disclosed will not re-disclose the information to any other party without my written consent unless specifically allowed by law; (2) that I have the right not to consent to this release of my education records; and (3) that this Authorization remains in effect for as long as I am a student at Columbia-Greene Community College unless revoked by me in writing.
