Federal Direct Loans are certified for the academic year. This means that the amount you are approved for will be equally divided between your Fall and Spring semester. Please contact the Financial Aid Office if you are planning to graduate or transfer after one semester.

LOAN ASSISTANCE REQUESTED:

I request the following loan amounts to the extent that I am eligible. I understand that after calculating eligibility, certified loan amounts may be less than the amounts I requested. If it is determined that I am ineligible or eligible for less subsidized loan funds than requested C-GCC WILL NOT automatically process an unsubsidized loan for me. To access unsubsidized funds, the unsubsidized box **MUST** be checked indicating that I want them. Loan amounts are subject to change based on my enrollment or receipt of other financial aid. The amount and other details of my loan will be described to me in a disclosure statement which I will receive from the US Department of Education.

Please indicate the combined subsidized and unsubsidized total in the box below.

\$

I am requesting Unsubsidized loan funds be included, if necessary to meet my requested amount

BORROWER'S SIGNATURE: _____ **DATE** _____

*Please note that unsubsidized loans have interest accruing while you are in school and are therefore a more expensive loan option. It is important to **ONLY BORROW WHAT YOU NEED** as loans must be paid back.*

Students are NOT eligible for student loans unless they are enrolled in at least 6 credits that are applicable to their current major.
